HOTELS WITH HEART & SOUL

The Glencoe Inn & Gathering, West Highlands

Located next to the four star AA rated The Glencoe Inn, The Glencoe Gathering sits nestled in the mountains of Glencoe, right next to the inn. Travelers can pop into our retro fish and chip bar for some traditional battered haddock and chips and soak in the scenery of this beautiful region of Scotland. The Glencoe Gathering has everything you would expect from your local pub but with a touch of something special... enjoy live music from singers and musicians, play a game of pool, have a dram or two at the bar or stick a tune on the jukebox and kick back with a plate of great food. The Glencoe Gathering is a haven in the Scottish Highlands to relax in a warm and friendly setting. Menus change seasonally so only the best Scottish and British produce is used to make sure the dishes really hit the spot
