## TEAPIGS AT THE DAFFODIL

Wouldn't it be great if you could choose from a whole variety of teas and pick the perfect blend to suit your mood?
Well, we are delighted to offer you Teapigs – the original Great British artisan tea company, born from a desire
to change how we drink a good old-fashioned cuppa.

Which will you choose?

TEAPIGS OR FARRER'S

All our Afternoon Teas come with either locally ground Farrer's cafetiere coffee or your choice of Teapigs artisan tea.
